The written patterns

The pattern descriptions are generated by my software, but to help you work faster I have split up larger repeats manually. I've checked it, but forgive me if there is a little error 😊. If you find an error, please contact me.

Pattern charts

The pattern charts are at the end of this document. The areas that are covered with a greyish color are overlapping parts with the next or previous chart. Especially at the transition to a new block you have a check with a previous block. Keep in mind with this though that the blocks have repeat-widths that differ.

I didn't show entire rows of the blocks with a clear repeat. The repeat will be clear from the picture.
